Patient's Name_____

Student ID#_____

Date of birth _____

This form should be received no later than 1 month prior to orientation.

Required Measles, Mumps, Rubella (MMR) Immunization

MMR: Proof of immunity to MMR is a requirement for registration for classes. **The only exception is for females who know or suspect they are pregnant. These individuals are exempt from this requirement until after the delivery of their child.**

This requirement is fulfilled if you meet one of the following criteria:

☐ birth date *before* 1957; or

☐ received two doses of MMR vaccine (provide both dates):
#1_____/_____/_____; (must be after your 1st birthday and **in** 1969 or later);
month day year
#2_____/_____/_____(must be at least 28 days after #1 – usually given at age 4-6 years or later)
month day year
☐ provide to Student Health Service copies of original lab reports of MMR titers that verify immunity to these diseases

Required Tuberculosis Screening

- **DO NOT HAVE A TUBERCULOSIS SKIN OR BLOOD TEST DONE PRIOR TO COMING TO IOWA. TB SCREENING MUST BE DONE IN THE UNITED STATES.**
- **Do not have a BCG vaccination prior to coming to the University of Iowa.**
- **If you are required to have a chest x-ray, it must be done in the United States within three months of starting at the University of Iowa.**
- **If you have been treated for TB infection or disease, bring a copy of your treatment report written in English.**

Do you have a history of BCG vaccinations? ☐ no ☐ yes – date of most recent BCG:_____/_____/_____
month day year

Meningitis Vaccine Information

Meningitis is an infection of the fluid surrounding the brain and spinal cord that is caused by a virus or bacteria. Bacterial meningitis can be sever and cause organ damage and death. There are vaccines available that can prevent 4 types of bacterial meningitis, including 2 of the 3 most common in the U.S. Meningitis vaccines cannot prevent all types of the disease. Meningitis vaccine is recommended for college freshmen living in residence halls, and for other adolescents who want to decrease their risk of contracting bacterial meningitis. **IOWA LAW requires us to provide this information on meningitis and meningitis vaccine. We are also required to collect data on meningitis immunization on our campus.**

Please indicate if you have received the meningitis vaccine: ☐ yes ☐ no
If yes indicate date given (month, day, year): _____/_____/_____

Your signature verifies that you have read this information. (Signature)_____
(date)_____
